

# SUBTRACTION MAT

A subtraction mat template consisting of three large vertical rounded rectangles. The first rectangle is on the left, the second is in the middle, and the third is on the right. Between the first and second rectangles is a minus sign (-). Between the second and third rectangles is an equals sign (=). Below each large rectangle is a smaller rounded rectangle. The first small rectangle is labeled "Number", the second is labeled "Number", and the third is labeled "Total". A curved arrow starts from the top right corner of the first large rectangle and points to the top left corner of the third large rectangle.
